

Temporary Terms and Conditions

Effective Date: 20-03-2025

Applies to: www.oceanchainmarine.com, Ocean Chain Marine, Oceanic Token ("Oceanic")

1. Legal Disclaimer

Ocean Chain Marine and Oceanic are currently in the early stages of development. The information provided on our website, digital channels, and related materials is for informational purposes only and does **not constitute a financial offering**, investment solicitation, or legally binding contract.

We are not yet licensed to offer any security or token sale, nor do we currently accept funds of any kind.

2. About Ocean Chain Marine

Ocean Chain Marine is a green maritime infrastructure company planning to deploy tokenized, Marine Assets designed to support the renewable energy transition. The company is being established under UAE jurisdiction, with future regulatory compliance to be finalized prior to launch.

3. About Oceanic Token

The Oceanic token is being developed as a **security token**, designed to represent shared ownership in profits and assets of Ocean Chain Marine's future fleet and operations. Token design and distribution frameworks are under legal and technical development and will be subject to full regulatory review in the UAE.

At this stage, the Oceanic token:

- **Is not for sale**
- **Is not active or circulating**
- **Cannot be purchased, earned, or claimed**

Any mention of tokenomics, structure, or pricing is speculative and subject to change without notice.

4. User Conduct and Disclaimer

By browsing our website or engaging with our early-stage materials, you agree not to:

- Misrepresent our stage of development or token availability
- Attempt to invest, purchase, or solicit token allocations
- Use our materials for any unlawful or misleading purposes

We disclaim all liability for damages or misunderstandings arising from reliance on pre-launch materials.

5. Intellectual Property

All content, logos, brand elements, and documents on www.oceanchainmarine.com and related digital platforms are owned by Ocean Chain Holdings (pending registration) or its founders. Use of these materials without written consent is prohibited.

6. Future Changes

These terms will evolve. Once the company is incorporated, regulatory licenses obtained, and the Oceanic token offering structure is approved, this document will be updated to reflect the binding legal terms.

We reserve the right to revise these terms at any time. Visitors are encouraged to review this page regularly.
